

Volunteer Letter

We are reaching out to share an exciting opportunity to make a significant impact in our community through volunteering with the Family Support Center program of the Marion County Family Resource & Support Network, Inc.(MCFR&SN) At the MCFR&SN, we are dedicated to strengthening families and supporting individuals through a range of comprehensive programs and services. We believe that by supporting all families equally, we not only strengthen the families but also the community.

Our Family Support Center programs are designed to provide critical resources, educational workshops and personalized assistance to families in need. We believe that strong, healthy families are the foundation of a thriving community, and we are committed to fostering an environment where every family can succeed.

We are currently seeking compassionate, dedicated volunteers who are eager to contribute their time and talents to help us achieve our mission. As a volunteer, you will have the opportunity to:

- Assist with organizing and facilitating workshops and educational sessions on parenting, self-care and other essential life skills.
- Help with event planning and community outreach efforts to ensure our programs run smoothly and reach those who need them most.
- Participate in programs such as our essential needs and food pantry as well as special events
- Participate in initiatives aimed at raising awareness and support for our efforts.

Volunteering with the Family Support Center is not only a chance to give back to the community but also an opportunity to gain valuable experience, develop new skills and form meaningful connections with fellow volunteers and the families we serve. We welcome volunteers from all backgrounds and walks of life and we offer flexible schedules to accommodate your availability.
